Goal/Federal Requirement/Key Finding	Original Application	Revision	Justification
<i>Example: Increased learning time</i>	<i>The school budgeted \$50,000 for the before and after school program mandatory for all students.</i>	<i>The school did not budget enough funds for the before and after school program for all students to attend. The school needs to add \$50,000 to fulfill all staff salaries.</i>	<i>In order for all students to attend the before and after school program for the 200 student days, the school will need to move funds from technology and supplies over to instruction to fulfill all staff salaries.</i>
	The school budgeted \$27,200 in Improvement of Instruction certified stipends. This is more that what was needed.	\$6,100 needs to be moved into Instruction to cover the cost of after school homework help and community building.	This will increase the learning time for students in grades K-6.
